Easy to clean
with water

Pour water directly onto the stain then blot using white paper towels, repeat this process until the paper towel no longer absorbs the stain.

Finish by adding water and gently rubbing with a microfiber cloth in a circular movement. Continue until the stain vanishes.

In case of stubborn stains, softly rub a bar of household soap on the stain.

Finish by adding water and gently rubbing with a microfibre cloth in a circular movement. Continue until the stain vanishes.

FibreGuard
Stain Free Technology

FibreGuide combines the latest Stain Free Technology with high quality and stylish home furnishings fabrics to ensure low maintenance and long lasting look and feel.
